

STEPS FOR TRANSFERRING A FIREARM TO TARGET WORLD

Target World accepts transfers for guns bought online and from out-of-state sources. The cost for the transfer is \$30.00 per firearm and the following steps/requirements must be met:

- The transfer must come from another Federal Firearms License (FFL) dealer. Although there are some exceptions under ATF regulations to this rule, to protect our license, we require the firearm be shipped only from another FFL dealer.
- To have us receive the transferred firearm, we will need you to either stop by the store or call us with information about the sending FFL holder, as well as your contact information.
- Once we have the sending FFL's contact information, we will send them our FFL so that they may ship the firearm. We will also need the sending FFL to mail an original signed copy of their FFL to us. The FFL can be inserted into the shipment with the gun. Our contact information for the sending FFL is:

Target World
2300 East Kemper Road
Cincinnati, OH 45241
PH: 513-772-3343
FAX: 513-772-5113

You can either pay the transfer fee in advance or wait until the firearm arrives.

When the firearm arrives, we will call you to let you know that it is ready for pickup. For it to be ready for pickup, we have to log it into our Bureau of Alcohol, Tobacco, and Firearms (BATF) Bound Book. That may not happen until the next day depending on what time of day the firearm arrived and whether or not we have the right person present to log the gun in (this is a restricted function and most of our employees are not authorized to do it).

To have your firearm shipped to us, you will need to complete the Inbound Firearms Transfer Form available on the Target World website under the "Services" menu. This form can be completed while in the store or you can fill out the red highlighted portions of the form and either fax it to us at (513) 772-5113 or email it to us at info@targetworld.net.
