TRANSFER AGREEMENT:

Target World does not accept responsibility for any damages or issues that may incur involving a firearm shipped from us to another dealer. We make every attempt and have an excellent record of packaging and shipping firearms for our customers, but no matter how remote, the unexpected can occur. Most firearms are transferred from Target World without shipping insurance; however, if you would like piece of mind, we will insure your transfer for an additional charge.

Your signature, below, is an acknowledgement that you understand and agree to the above:
