

STEPS FOR TRANSFERRING A FIREARM FROM TARGET WORLD TO ANOTHER DEALER

Federal and state laws require that under the following circumstances, firearms purchased in Ohio by a non-Ohio resident must be transferred to a dealer in the purchaser's state:

1. All handguns purchased in Ohio by a non-Ohio resident must shipped from an Ohio federal firearms dealer (FFL) to another FFL dealer in the state that the purchaser resides. The reason for this is that the purchaser is required to do the federal background check in the state within which they reside.
2. Rifle and shotgun transfer requirements are generally the same as for handguns, except that if the purchaser resides in a state whose boundary is immediately adjacent to Ohio (Kentucky, West Virginia, Indiana, Pennsylvania, and Michigan) the purchaser may do the background check and receive the firearm in Ohio.

Target World does not charge a transfer fee for outgoing transfers for firearms bought from us and shipped at the time of purchase. Shipping charges apply.

Before the firearm can be shipped to an out-of-state dealer, we will need the dealer contact information to include the phone number, fax number, and shipping address. (Note that we do not ship to non-FFL holders.) We will also need for the other dealer to send us a signed copy of their FFL. The other dealer can contact us at:

Target World 2300 East Kemper Road
Cincinnati, OH 45241
PH: 513-772-3343
FAX: 513-772-5113

Once we have the other dealer's FFL, we will ship the firearm. Most firearms are shipped overnight. We will also place an originally signed copy of our FFL in with the firearm for the other dealer's records.

To ship your firearm out, you will need to complete the Outbound Firearms Transfer Form available on the Target World website under the "Services" menu. This form can be completed while in the store or you can fill out the red highlighted portions of the form and bring it in when you bring us your firearm to ship.
