## GSSF Newsletter 10/29/2022

### Hello, Target World GSSF Shooters.

GSSF shooters! We now have one match on the books for the Fall league. With that we now have standings for the league as a whole so everyone will be able to see what they need to shoot the next two matches to make it count. We had 37 entries in the first Fall Match. The second Fall Match is Saturday, November 19<sup>th</sup>. Congrats to Richard Poe, Tim Rouse, & Brian Kral for shooting perfect 250s in the Pocket Division.

For those of you who are considering adding a Red Dot Sight on your handgun or have already done so and would help shooting with your RDS. We are offering an "Introduction to Handgun Red Dot Sights" class on January 21<sup>st</sup>. This is a three-hour class (8:00 – 11:00 am) that is a combination of classroom and range time.

Attached to this email you will find the October results as well as standings for the league.

### Junior / Lady Shooters:

We ask that you all invite both Junior and Lady shooters into our sport. We know this is a heavily dominated men's sport and we need more Ladies and Juniors to come and shoot with us. Make it a family day and join us for some friendly competition!

To see Target World's GSSF information page, visit [www.targetworld.info/leagues-fun-shoots](http://www.targetworld.info/leagues-fun-shoots).

Everyone has an open invitation to join our IDPA shoots. We host IDPA every second and fourth Tuesday evening at 6 PM. Completely different than GSSF, IDPA is a competition that will test you for potential "real world" instances as a concealed handgun license holder. Expect to be drawing a handgun from concealment and addressing different stage designs while on the clock. These matches are a ton of fun! For more information, visit our website at [www.targetworld.info/leagues-fun-shoots](http://www.targetworld.info/leagues-fun-shoots). Feel free to reach out to me with questions you may have!!

Sincerely,

Tara Wright
